<u>Community Supports</u>			
<i>Walking Club</i> [3] SOS Care Inc.	\$5,135	Coastal	This program will enable individuals with intellectual and developmental disabilities across coastal South Carolina to develop more active lifestyles to make improvements to their general health. This is an inclusive community-based walking program.
<i>The Art of Living Well</i> [1] Adult Enrichment Centers	\$34,875	York	This program supports healthy mental wellbeing in adults with diverse abilities through creative expression in a safe space, which encourages and fosters expressions of emotion in a healthy way. This, in turn, promotes self-advocacy and fills a void that exists in available services in the community.
<i>Circles of Support</i> [1] Community Options, Inc.	\$37,000	Statewide	This program intends to build circles of support around SC residents with IDD, effectively serving as a social network that functions alongside a person with a disability to achieve person-centered community inclusion goals.
<i>Developing Decision Makers</i> [1] Able SC	\$72,825	Statewide	Able SC, in collaboration with Center for Youth Voice, Youth Choice, Family Connection of SC, Disability Rights SC, SC Appleseed Legal Justice Center, SC Project Search, and SC Department of Education, Office of Special Education Services will support youth ambassadors with IDD in paid employment opportunities with a focus on educating students and teachers on self-determination and supported decision-making. In addition, the program educates legislators in SC about the consequences of guardianship and how it can restrict the rights of individuals with disabilities and will grow and sustain a statewide coalition to alleviate undue and overbroad guardianships.
<i>SC Housing Education</i> [1] SOS Health Care, Inc.	\$55,765	Statewide	This program will scan the state housing environment, identify available resources, collaborators, funders, case managers, trainings, etc. In the process, collaborations and partnerships will be made as pertain to needs and interests for housing the ID/DD population. Through this project, SOS will empower efforts statewide to realize the requirements of the Home and Community-Based Services (HCBS) Final Rule, which ensures that individuals have full access to the benefits of community living and the opportunity to receive services in the most appropriate, integrated setting.

<u>Self-Advocacy</u>			
<i>Community Leadership Academy</i> [Ongoing] Able-SC	\$19,438	Statewide	Community Leadership Academy increases participation of individuals with disabilities, as well as their family members, on boards, committees, and councils in local communities around the state. This program educates participants on rights, leadership skills, strategies for advocacy, self-advocacy, communication of rights under various laws, effective communication, and demonstrating skills by serving in a leadership role on a community council, board, or committee.
<i>Youth Leadership Forum</i> [Ongoing] Able-SC	\$50,000	Statewide	The program is an established, evidence-based summer program for youth with disabilities who are still in high school or just graduated. The objectives are to build or strengthen participants' self-advocacy skills, self-confidence, and leadership skills for the purpose of remaining in school, graduating, obtaining post-secondary education and obtaining employment that meets each individual's maximum potential.
<i>IMPACT-SC</i> [Ongoing] Center for Disability Resources	\$41,447	Statewide	IMPACT-SC is the statewide self-advocacy council for adults with intellectual and developmental disabilities. IMPACT-SC's purpose is to increase awareness of self-advocacy among adults with intellectual and developmental disabilities. Activities include training opportunities, exhibiting, presenting and attending national conferences. The council also maintains a statewide newsletter and website.
<i>Equip: Self-Advocacy & Leadership in Young Adults</i> [Ongoing] Able-SC	\$74,938	Statewide	EQUIP is a Young Adult Leadership program focused on empowering young adults with disabilities ages 14-25 by showing them the skills necessary to build self-confidence, set and accomplish goals and become community activists. EQUIP is unique in its approach because its leaders are also young adults with disabilities who can directly relate to the group.
<i>Let's Talk</i> [Ongoing] Arc of the Midlands	\$32,181.60	Richland, Lexington, Sumter, Newberry, Fairfield, York, & Greenville	A self-advocacy program for people with intellectual and developmental disabilities to focus on self-development, making choices, taking leadership roles, and achieving dreams. Participants will develop community-based projects that allow them to practice expressing themselves in public settings. The acquisition of self-advocacy skills will focus on obtaining a job and accessing community-based resources.
